Dear Parents,

Our camp is approaching quickly and we are working hard to prepare everything for a great trip. Attached is a copy of our itinerary and packing list, which can also be found on the blog and Edmodo.

Medication

Today we have sent home a blank medication permission and instruction form in a zip lock bag. Please ensure any medication your child may need is listed on this form, along with dosage and timing. Place medication form, along with medication, in zip lock bag and return to the office during week 4 (*Monday 1st – Friday 5th November*). Please ensure that any dietary requirements (even those already stated) are noted on this form. Place the medication, along with this form into the zip lock bag.

Please note that we are not able to supply medication to students unless the form is completed. This includes paracetamol and hayfever medication. All personal medication must be packed in the zip lock bag with the form. A medical log will be kept of all medication administered.

Students with asthma listed on their medical form *must carry a Ventolin at all times*. Please do not pack medication into your child's suitcase it needs to be in the backpack which they carry.

All forms need to be read, signed and returned regardless of medication requirements.

Staff Members Attending

This year the following adults will be attending.

Mrs Moseley, Miss Zikos, Mr Braun, Mrs Taylor (Mon-Wed) and Mrs Hall (Thurs-Fri).

Important departure information – Monday 8th November

Students will be arriving early. We will travel by coach to the city where we will begin our scheduled activities. Students should wear their formal school uniform on this day, with their senior's jumper as the outer layer.

Parents do not need to see a teacher to sign students in as this will occur as part of our school day. Luggage should be lined up neatly along the hallway walls with carry-on luggage being placed on hooks. We ask that students do not bring their iPad to school on this day and that lunches are packed in disposable wrappers so that we have no food waste left to carry with us.

8:20 am Students arrive

9:00 am Bus depart

Seesaw

Your child has a Seesaw account, onto which we will post photos and short comments, whilst we are away.

Mobile Telephone

All supervising adults will have mobile phones. Students are not to take personal mobile phones. If required, students will be able to use the teacher's phone to contact home. We ask that parents do not contact supervising adults personally at any stage of the trip. **All communication is to be directed via the school, on 8388 7228 or the Principal's mobile phone number – 0417 646 011.**
